Planners for Staying
Organized in 2020***

May 1st, 2020 - Digital calendars and to do lists don't always work for everyone's organization style. While setting digital reminders can help prevent you from losing track of birthdays and important annual deadlines, the benefits of writing down your daily appointments are certainly of note. In fact, The New York Times touts the use of physical planners over apps and argues that finding the right agenda.
