**Macro examination Applied  
Inspection Ltd**

May 12th, 2018 - Macro  
examination is the procedure  
in which a specimen is  
etched and evaluated macro  
structurally at low  
magnifications typically x10  
or lower' **Aescit Industry  
Services**

May 14th, 2018 - Start up  
and Commissioning Services  
Increase successful project  
delivery certainty with  
comprehensive installation  
commissioning and start up  
services calibration and  
configuration services  
traceable field testing and  
documentation and data sheet  
assurance'

**'MIG GMAW and Flux Cored  
FCAW Weld issues and**

May 14th, 2018 - 2104 IF YOU  
WANT AN EVER CHANGING  
INCONSISTENT WELD PROCESS  
THAT PROVIDES MINIMAL STEEL

---

WELDING BENEFITS CONSIDER  
THE PULSED MIG PROCESS In  
contrast to traditional weld  
processes such a regular MIG  
Flux Cored SMAW and TIG the  
Pulsed MIG process is a weld  
transfer mode in which a  
small change in the ever  
evolving MIG power source'

**'Procedure Qualification  
Record gowelding com**

*May 16th, 2018 - Welding  
Procedure Specifications WPS*

*This document details the  
practical application of the  
Procedure Qualification*

*Record PQR It should contain  
enough information to give  
direction to the welder and  
should address all variables  
associated with the welding  
process defined in QW250*

*including non essential and  
supplementary'*

***Weld Macro  
for observing your welds and  
improving them***

*May 12th, 2018 - Weld Macro*

---

---

*as explained hereafter is a powerful tool It is essential for assessing weld quality and for improving one s welding skills Weld Macro or Weld Macrographic Examination is a simplified metallographic technique readily available to*

**anybody''Macro Programming Fundamentals Practical Machinist**

**October 22nd, 2008 - Macro programming is a useful tool for most any CNC machine shop whether a one man garage or an international conglomerate Macro programming provides a means of shortening code and doing repetitive tasks easily and quickly''Welding**

**Steelconstruction info**

*May 15th, 2018 - Welding is a complex interaction of physical and chemical science Correct prescription*

---

---

*of metallurgical requirements and sound practical application is a prerequisite for successful fusion welds'*
